

CABIN FEVER

New York, NY (June 11, 2021) – for Immediate release:

Tagliatella Galleries is proud to present *Cabin Fever*, a solo exhibition by artist **Joe Iurato**. Ready to be out of the woods?

In *Cabin Fever* Iurato has created a body of work inspired by living and communicating digitally; thematically comprised of whimsical and often child-like imagery, now visibly interrupted and distorted as everyone's way of life abruptly came to be in 2020. *Cabin Fever* features the artist's primary medium of painting with multi-layered stencils and aerosol, while boldly highlighting Iurato's penchant for multidisciplinary expertise. The show includes an array of works: editions on paper, photography, original paintings on canvas, and of course his trademark wood assemblages.

"This body of work is my crossroads, and a quick rundown each path to explore what lies ahead. It's an unfiltered, visceral reaction to a life event that I'll never be able to explain fully." - Joe Iurato

In addition, *Cabin Fever* will debut the first NFT by **Iurato X Tag NFTs**. In partnership with **Blockparty**, Tagliatella Galleries will display the limited-edition animation in-store, offering collectors the opportunity view and purchase the first non-fungible token minted by Joe Iurato. On-site instruction will be available for guests who would like to purchase the NFT with Ethereum or via Credit Card, in person or online through **Blockparty**.

Cabin Fever opens Thursday, June 17th through July 12th, 2021 with a rsvp-only reception from 6 - 9pm at Tagliatella Galleries, 229 10th Ave. on Thursday the seventeenth. The artist will be in attendance.
