Announcing *The Digital Pioneers*, a group exhibition of NFTs powered by **SuperRare**, framed by **LAGO** hosted by **Tagliatella Galleries**.

In collaboration with SuperRare, the pioneering marketplace for curated NFT artworks, Tagliatella will showcase a collection of nine different unique NFTs on March 31st in the gallery's flagship location at 229 10th Ave. in Chelsea. On view March 31 - CLOSE DATE TK, *The Digital Pioneers* will be displayed by LAGO, the elegant frame designed specifically for digital artworks. The works will be available exclusively via SuperRare.

In *The Digital Pioneers*, each NFT will be auctioned on SuperRare's online platform <https://superrare.com/> and displayed in the dedicated second floor exhibition space where guests can view and bid on each NFT in person.

New NFTs will be minted by three of Tagliatella's most recognized artists, Logan Hicks, Joe Iurato and Shelby & Sandy, and auctioned alongside six NFTs previously sold on SuperRare's marketplace by artists Pak x Sarah Zucker, Coldie, Guido, Dmitri Genesis, Vanarman and Osinachi.

We invite you to join us for an opening reception on **March 31st at Tagliatella Galleries, from 6 - 8 pm, with a VIP Press Preview from 4 - 6 pm at 229 10th Ave.** in Chelsea. **Please RSVP to the gallery reception below**, or contact Tagliatella Galleries at (212) 367-0881 or email info@djtf.com.

ABOUT SUPERRARE

Founded in 2018, SuperRare is a pioneering, curated marketplace for high quality NFT artworks, built on the Ethereum blockchain. More than \$240M worth of NFT-based artworks, also known as 'CryptoArt', have been bought and sold on the platform, with artists earning revenue on both original sales and resales. A destination for digital discovery and with the unique proposal of only single editions, SuperRare was created with the goal of empowering the next generation of artists through technology and has facilitated artists and collectors around the world to sell and purchase digital artwork.

SuperRare recently launched the new \$RARE curation token, converting the SuperRare NFT marketplace into a community governed network of galleries, decided on by community vote.

ABOUT LAGO:

LAGO is the most elegant frame for displaying minted artwork. The customizable LAGO frame was designed for all types of digital NFTs: layered, 3D motion, generative, augmented reality, and music. Compatible with popular wallets, the secure LAGO display has a simple, straightforward set-up process so collectors can easily authenticate, display, discover, and interact with their collection. LAGO's unique sculpted frame is optimized for NFTs with its square orientation, and the wooden frames work seamlessly with surrounding home decor. LAGO allows for unlimited interaction with proof, provenance, and pride. To learn more please visit: lagoframe.com/superrare
